

White Horse Village offers residents satisfaction and peace of mind

White Horse Village is a retirement destination located on 96 acres of meadows, woodlands and gardens adjacent to Ridley Creek State Park in historic Edgmont Township, western Delaware County. Homes, cottages and apartments range in size from 500 to 3200 square feet in a natural setting and the views are spectacular wherever you are on the campus. There are refundable entry fee plans and monthly fees include all services, amenities, utilities, a meal plan, housekeeping and maintenance, landscaping, trash and snow removal, cultural events, performing arts, 24 hour security and on-site nursing care.

Executive chefs are proud to lead the dining program which rivals those of area hotels. White Horse Village has an exceptional culinary program and serves as a training center of excellence for executive chefs in the retirement industry. The chefs grow their own produce and herbs in the White Horse Harvesters garden and are committed to supporting local family farmers.

Healthy lifestyles are promoted in the state-of-the art Wellness Center where each resident has the power to enhance their wellness. The strength/cardio vascular training room is supervised by trainers and a variety of group exercise classes are offered daily as well as aquatics classes in a large indoor pool. Outdoor sporting areas include Bocce,

horseshoes, putting green, shuffleboard, walking trails, biking and a doggie park. White Horse Village is part of the state wide Bluebird Trail.

At White Horse Village the focus is solely on the satisfaction of its residents and their peace of mind knowing that quality long term care or assisted living is provided on-site, in the Healthcare Center, should the need arise. One can be admitted directly from the home or hospital for short-term placement or rehabilitation care in Canterbury Skilled Nursing. For those who need some support, Bridlewood Personal Care offers spacious studio suites for one monthly fee. Monthly informational luncheons are held.
