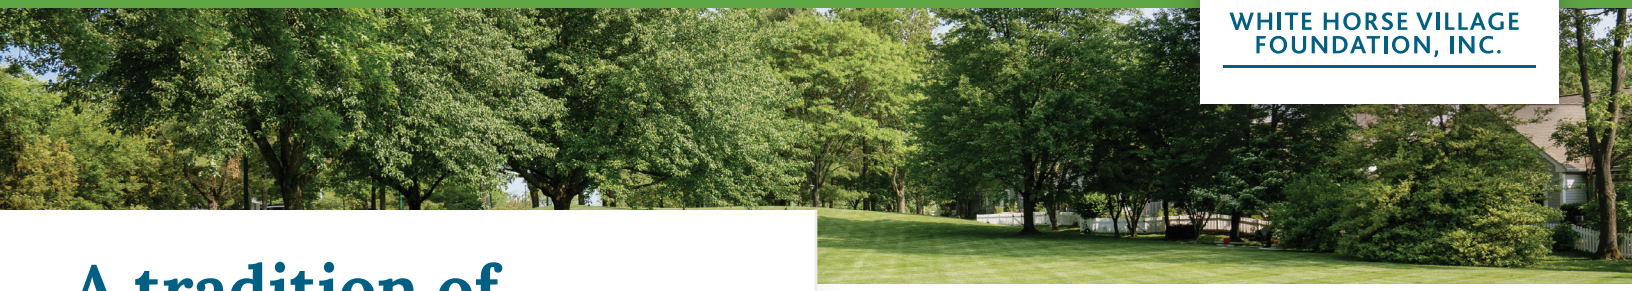
WHITE HORSE VILLAGE FOUNDATION, INC.



A tradition of compassionate generosity

By donating to the White Horse Village Foundation, you are changing lives and building community. Your gift can support residents who have outlived their financial assets, contribute to the education of team members, and help enhance our community. Your support affirms our values of generosity, compassion, stewardship, and growth.

The White Horse Village Foundation, established in 2022, continues the work of the White Horse Village Endowment Fund, which residents and management created in 1993 to ensure all residents receive quality healthcare and have a home for life.

Building on this long history of generosity and charitable giving, the Foundation continues its mission of positively impacting the lives of residents of our community.

Gifts that enhance the lives of residents and employees

Resident Reserve

The Resident Reserve Fund ensures that eligible residents will maintain their dignity and have a home for life in our community even if they outlive their financial assets. The fund provides confidential assistance.

Employee Scholarship

The Employee Scholarship Fund provides financial assistance for employees to further their education.

Employee Appreciation

Giving to this fund is a way to say thank you to our dedicated employees since they cannot accept tips or gratuities. It takes the combined efforts of all employees, both those whom we engage with and those working hard behind the scenes, to enhance residents' lives.

Robert J. Bruce Memorial award

Each year, one or more full-time team members will be selected to receive this award, honoring the legacy of resident and Foundation chair Robert J. Bruce. The recipient will exemplify his personal qualities, including a commitment to serving others and the White Horse Village community.
